School Goals & Continuous Improvement 2023-2024 School Education Plan focuses on 3 goals:						
2023-2024 School Education Flat locuses on 5 goals.						
1) How might we engage students in their literacy and numeracy st	uccess?					
School Goal: Students are performing math and reading at or above grad	de level.					
2) How might we build student leadership across the school comm	unity?					
2) now might we build student leddership across the school community?						
School Goal: Students have a sense of purpose in life, understand their own and other cultures, and						
are goal oriented, building leadership skills.						
3) How might we create inclusive, engaging, and healthy learning	opportunities for all students?					
School Goal: Students are happy, healthy, feel they belong and are safe,	and experience success in					
learning environments that are inclusive of every learner.						

Hello January!

How can you BE INDEPENDENT this month?

I CAN...

- ✓ do things on my own
- make good choices and set goals to improve
- be responsible and take ownership for my actions and words

Bienvenue janvier! Comment peut on montrer d'indépendance?

JE PEUX...

- faire les choses par moi-même
- faire de bons choix et se fixer des objectifs pour s'améliorer
- être responsable et assumer la responsabilité de mes actions et de mes paroles
