## Updates

- Previous requests: 2024/2025 \$8 000 for Alien Inline Skating (not previously approved), FI Decodable Books (previously been approved) and the classroom library boost (already approved).
- \$8 000 Alien Inline Skating request: Joanna DeFries made the motion to approve and Jacelyn Rohleder seconded. Daniel Bouette had some questions regarding what this program was. All people in attendance approved of this cost.
- Request for yoga mats with a stand with a cost of \$1500 (not approved previously). Joanna DeFries made the motion to approve and Leah Bevan seconded. There was a question about what the stand was for and it was clarified that it is for organization. Approved by all and carried forward.
- \$1000 hockey sticks for a class set (not approved previously) Chair made a motion to approve and Zack Battle seconded. Zack had a question about the cost as his report had them costing \$500 and Jacelyn noted that the price has since increased. Daniel asked for clarification about how many sticks would be included in a class set. It was clarified that it would be for two classes as they make up 1 PE

class with a quantity of about 60 sticks. Approved by all in attendance and carried forward.

- All new spending has been approved.
  - After this approval there will be \$3 334 left in the bank account after these new requests have been approved.

## **Financial Report**

- \$3 334 left in the bank account after these new requests have been approved.
